Your attention is drawn to the following statement: This is a custom made device that has been manufactured to satisfy the design characteristics and properties specifically by the prescriber for the above named patient. This medical device is intended for the exclusive use by the patient and conforms to the relevant essential requirements in Annex 1 of the Medical Devices Directive and the United Kingdom Medical Devices Regulations. This statement does not apply to the medical devices that have been repaired and/or refurbished for an individual patient's use.
